Subex Azure wins 'ISV partner of the year' award from Sun Microsystems

Bangalore, INDIA: Subex Azure Ltd, a leading global provider of Operations Support Systems (OSS) solutions for telecom operators, announced today that it has been felicitated by Sun Microsystems (Sun) with the 'Partner of the year' award for the best Independent Software Vendor (ISV) for 2007.

This award was given to Subex Azure in recognition of its outstanding contribution in the telecom domain. Subex Azure and Sun Microsystems have been in partnership for over six years and more than 70 percent of Subex Azure's existing installations of the Fraud Management System are on Sun's infrastructure platform.

"As a highly partner leveraged organization, our partners act as our arm to tap opportunities in the Indian marketplace. Our partnership with Subex Azure has been very fruitful and has helped showcase our telecom infrastructure to our customers as well as streamline our business offerings to keep pace with the dynamic telecom software environment," said Mr. K.P.Unnikrishnan, Director-Marketing, Alliances & Teleweb Sales, Sun Microsystems, India. "This award is our appreciation of the value that this partnership has brought to Sun and we look forward to a greater synergy between us in future."

"We are honoured by this recognition from Sun Microsystems. This is a clear indication of our commitment to global growth and provides evidence of our superior products and increasing customer satisfaction", said Sudeesh Yezhuvath, COO, Subex Azure Ltd.

About Subex Azure Limited

Subex Azure is a leading global provider of Operations Support Systems (OSS) solutions with a mission to empower telecom operators to achieve competitive advantage and deliver new service experiences to subscribers. The company pioneered the strategic concept of the Revenue Operations Center (ROC) - a centralized and integrated infrastructure for end-to-end monitoring, measurement and control of the operator's revenue chain - to foster operational dexterity and hence sustained profitability.

Subex Azure's software portfolio powers the ROC and its best-in-class solutions enable new service creation, subscriber-centric fulfillment, provisioning automation, revenue assurance & cost management, data integrity management, fraud management and interconnect/interparty settlement.

Subex Azure's customers include 32 of the world's 50 largest telecom operators by revenue. The company has more than 150 installations in over 60 countries. Subex Azure was named in the prestigious Deloitte Technology Fast 500 Asia Pacific 2006 list of companies, underlining the company's growth and leadership status.
